Welcome to your Fundraising Centre

Thank you for registering for the Canadian Cancer Society CIBC Run for the Cure and for promising to change the future of breast cancer.

Changemakers know that running is just the start! That raising funds is what really makes the difference. We've created tools to make it easy for you to reach your fundraising goal so you can make the biggest impact possible.

Please note: We will notify you by email of anyone who has joined or donated to your team. Due to privacy legislation, we are unable to provide you with information specific to donations made to your fellow team members.

1 in 8 Canadian women will develop breast cancer in their lifetime. Let's promise to change that.

We're participating in this year's Canadian Cancer Society CIBC Run for the Cure to benefit the breast cancer cause. We're running in honour of all of the incredible women in our lives, and we need your help!

Please contribute what you can to our fundraising. Every dollar makes a difference and gets us one step closer to making breast cancer beatable. Your donation will fund innovative research to help save the lives of more women, and provide support programs to those affected by this disease.

Did you know that just \$100 could fund 2 hours of lifesaving research in a world class laboratory? Your contribution lead to the next breakthrough!

Together, we can change the future of breast cancer.

Thanks in advance for your support!
