WHAT IS THE HEROES PAVILION?

The **Heroes Pavilion** is a tribute to your local heroes:

Your Hero may be your spouse who is living with breast cancer, a family member who accompanied you through your journey, the neighbour you brought you dinner or flowers, your nephew who cut the grass.

Your *Hera* is the person that made a gesture of support and expressed encouragements. Your *Hera* battled, lives or defeated breast cancer.

HOW CAN YOU CONTRIBUTE?

Bring a photo, a letter, a poem dedicated to your *Hera* or *Heroes*. Your photo, letter or note will be exhibited inside the Heroes Pavilion.

You may also email your photo or letter by September 27th and we will print and post these for you.
